BALLOON NOTE

The final check for the balloon payment for the new building has been mailed. In addition to using the building funds on hand, a large portion from the operating fund was also used. This means that we are down to less than what we need to keep in the operating fund. Would you please consider continuing to support the building fund and the general fund generously?

DESIGNATED DONATIONS

Some people have expressed an interested in helping with relief for the people in Haiti who have experienced such devastation. You can write a check to Providence and designate whether you would like it to go through Charles Amicy's ministry or to the ministry of Walford Thompson (Ministries in Action or MIA).
